Until deductions begin, payment by personal check or money order is required. Full premium payment(s) must be paid by the due date specified. Coupons will be sent for your use until deductions begin from your retirement check.

- **TIAA-CREF Retirees**

Payment by personal check or money order should be sent with the monthly coupons supplied to you and must be paid by the due date specified.

Benefits you choose will remain in effect for one plan year, without exception.

You may only change your coverage if you experience a qualifying Change in Status (CIS) event.

Changing Your Coverage

Changes to Coverage

Any changes to your retiree benefits will require your written authorization. Premium changes due to your written authorization will be promptly initiated after your request has been received.

If you experience a qualifying Change In Status (CIS) event during your coverage as a retiree, coverage levels can be increased or decreased based on the type of CIS event.

If you are having premium payments deducted from your retirement check, any required refunds will be completed as soon as verification is received that your deduction has changed. Refunds are processed one time each month and are mailed no later than the 15th of the following month.

Be sure to carefully consider your benefit elections. Coverage you select will stay in effect the entire plan year and coverage you cancel cannot be reinstated until the next annual open enrollment period.

Please send your written requests for changes to:

FBMC Benefits Management
P.O. Box 10789
Tallahassee, Florida 32302-2789

How do I make a change?

Within **60 days** of an event that is consistent with one of the events below, you must contact FBMC Benefits Management, with your change information.

What are the IRS Special Consistency Rules governing Changes in Status?

You cannot decrease or cancel any other individual's coverage under these circumstances.
2. **Gain of Coverage Eligibility Under Another Employer's Plan** – If you, your spouse or your dependent gains eligibility for coverage under another employer's plan as a result of a change in marital or employment status, you may cease or decrease that individual's coverage.

Group Legal Plan

A Payroll Deductible, Post-tax Benefit

Here's an affordable solution to help with your legal needs.

Finding an affordably-priced lawyer to represent you when you buy or sell your home or even prepare your will can be a challenge. Did you ever wish you could pick up the phone and call a lawyer for some quick advice? For just pennies a day, the Legal Plan gives you your own "attorney on retainer." The Legal Plan also covers full representation for many important personal legal services.

How do I use the plan?

When you face a situation that you think may have legal implications, simply pick up the phone and call 1-800-821-6400 Monday-Friday, 8 a.m. to 7 p.m. (Eastern Time). A knowledgeable client service representative will be available to assist you in locating a Plan Attorney near your home or workplace. Plan Attorneys are generally available to meet with you on weekdays, evenings and even Saturdays. Or, visit info.legalplans.com. If you're enrolled, click the "Members Click Here" tab on the left. If you have questions as you decide to enroll, use WVA (all capital letters) as your password.

In or Out-of-Network?

Hyatt has more than 4,000 law firms in its nationwide network. When you use a Plan Attorney, covered legal services are provided at no additional attorney fees. Of course, you also have the flexibility to use a non-Plan Attorney and get reimbursed for covered services according to a set fee schedule. You will be responsible to pay the difference between the plan's payment and the Attorney's fees. It's completely your choice.

Dental Plans

Strong, healthy teeth create beautiful smiles. To give your smile the care and attention it deserves, Delta Dental offers you the Dental Assistance, Basic and Enhanced Indemnity dental care plans.

With Delta Dental, you have complete freedom of choice in selecting a dentist. You can choose a dentist from the Delta Dental Premier® or Delta Dental PPOSM networks, or a dentist who does not participate in either network. Your choice of dentist can determine your cost savings.

There are 899 Delta Dental Premier access points and 663 Delta Dental PPO access points in West Virginia.

Delta Dental PPO dentists will accept the Delta Dental PPO Maximum Plan Allowance (MPA)* or the dentist's fee – whichever is less (the PPO Allowed Amount) – as payment in full for covered services. Copayments and deductibles may also apply.

Delta Dental Premier dentists will accept the Delta Dental Premier MPA (a slightly higher MPA) or the dentist's total charge – whichever is less (Premier Allowed Amount) – as payment in full for covered services. Copayments and deductibles may also apply.

Non-participating dentists do not contract with Delta Dental to limit their costs. For services received from non-participating dentists, you are responsible for these dentists' total charges without limit by Delta Dental, including applicable copayments and deductibles. Delta Dental will reimburse you for its portion of the PPO Allowed Amount.

Your total out-of-pocket payment is least if you go to a PPO dentist, is more if you go to a Premier dentist, and likely will be highest if you go to a non-participating dentist. Please call Delta Dental to find a participating dentist in your area at **1-800-932-0783**, or visit **www.deltadentalins.com**.

Employees who visit a dentist under the Delta Dental PPO network or the Delta Dental Premier network will receive the benefit of increased plan year maximums.

This year, you may enroll in any of the following three dental programs:

Dental Assistance Plan

The Dental Assistance plan is a discounted open network, managed-cost dental plan that allows employees the freedom to choose any dentist for treatment, but they receive the greatest benefits when they visit a Delta Dental participating dentist.

Basic Plan

The Basic plan is a low-cost plan designed to cover preventive and basic services only. Please look carefully at the plan descriptions in the chart before making your choice.

Enhanced Plan

The Enhanced plan is the most comprehensive coverage offered with this program and covers preventive, basic and major restorative, orthodontic and TMJ services.

Participating dentists are paid directly by Delta Dental, and by agreement cannot bill you more than the applicable copayment, deductible or charges where maximums have been exceeded for covered services. By selecting a participating dentist, you always limit your out-of-pocket costs. For services performed by non-participating dentists, Delta Dental sends the benefit payment directly to you. You are responsible for paying the non-participating dentist's total fee, which may include amounts in addition to your share of Delta Dental's Allowed Amount. Out-of-pocket costs may also include applicable copayments, deductibles, charges where maximums have been exceeded, and services not covered by the Group Dental Service Contract.

** Major Restorative, Prosthodontics, and Orthodontics require 6 month plan participation.

*** Enhanced benefits for pregnancy, which include an additional oral evaluation and a choice of an additional periodontal scaling, root planing or prophylaxis, or additional periodontal maintenance procedure are covered.

Vision Plans

New for 2015!

Your Vision Plan provider has changed to MetLife Vision Plan and your Vision rates have significantly decreased, while keeping the same services and access to the same in-network providers. MetLife Vision offers you the Full Service or Exam Plus vision coverage plans to help pay for your eyecare needs.

Full Service Plan

The Full Service Plan covers you and your family for all routine eye care, including eye exams, eyeglass lenses and frames, or contact lenses. When it's time for an eye exam and/or eyeglasses, you can see any MetLife Vision doctor you want, or use a non-member doctor.

The deductible for materials is \$20. A member may receive an examination and contact lenses or spectacle lenses once every plan year. Contact lenses are in lieu of lenses and frames. In other words, if a member chooses to use the contact lens benefit, this utilizes the lenses and frame benefit. The member would then be eligible for the frame benefit on July 1st.

Participants receive a 20 percent discount on additional pairs of prescription glasses or non-prescription glasses, including sunglasses from a MetLife Vision Member Doctor. You can also receive a 15 percent discount on the participating doctor's professional fees when you purchase prescription contact lenses. This benefit is available in conjunction with your MetLife Vision contact lens allowance, or you can use it to purchase contacts in addition to glasses.

These discounts may be used for 12 months following the date of the covered eye examination and are available from any participating MetLife Vision Member Doctor.

MetLife Vision's Laser Vision Care Program now provides discounts for LASIK and PRK surgeries from network laser surgery centers. Contact your MetLife Vision doctor for more information.

[†] Co-payments apply in-network (MetLife Vision Member Doctor) at the time of service.

^{*} Within Plan Limitations. If you select a frame that costs more than your plan allowance, there will be an additional charge you will pay out of pocket. When you visit a MetLife Vision member doctor, ask him/her which frames are covered in full. The allowance is very competitive and ensures a good choice with little or no out-of-pocket cost.

There will be an extra cost if you select materials or services that are elective or cosmetic in nature, such as tints and scratch coatings.

^{**} Exam and contact lenses are also covered once every plan year, if necessary, provided you have not received spectacle lenses in the same plan year. You may receive eyeglass frames every other plan year. You may receive either spectacle lenses or contact lenses in the plan year, but not both.

You may choose to cover your family by selecting the "Employee & Family" rates. You may cover your spouse and any children, stepchildren or foster children up to age 26.

Value-Added Benefit

Hearing Health Care

Why have a Hearing Plan?

Hearing is one of the five natural senses that allow us to enjoy life and the world around us. Music, radio, television, movies, theater – all become less accessible and enjoyable without the benefit of hearing. And the loss of sounds like sirens and alarms can actually endanger your life.

Hearing is a valued life asset that can be protected, treated and assisted through a program for hearing healthcare. The EPIC Hearing Service Plan provides easy access to hearing health professionals – primarily physicians and audiologists who can help you achieve your maximum hearing potential throughout your life.

EPIC's Five-Step Plan

The EPIC Hearing Service Plan starts with an evaluation of your ears and hearing. Diagnostic tests and measures will determine the course of treatment most likely to help you hear better. The EPIC Hearing Plan's 5 Basic Steps to Good Hearing include:

1. **Pure Tone Hearing Test** - to determine if a hearing problem exists
2. **Functional Assessment** - to define the magnitude of the problem and the technology best suited to treat it
3. **Hearing Aid Evaluation** - to determine your ability to wear a hearing aid and select the best model and make
4. **Fitting and Programming** your hearing aid
5. **Therapy and Training** - to fine tune your device and maximize the benefits you receive.

How the EPIC Plan Works

1. Call EPIC at 1-866-956-5400.
2. A hearing counselor will register you and assist in determining your healthcare needs.
